Subject: Bristol Bay communications plan--latest iteration
[Bristol Bay peer review followup communications plan 2-4-13.docx](#)

Hi everyone,

I spoke with Bo, Sheila, Rick and Marianne this morning. I exchanged a couple of brief emails with Dennis as well. I believe I've captured everyone's input here. It sounds like there will be some additional decision-making at the 2pm meeting this afternoon.

Key Issues:

-
- **Bob, Arvin, Bill, Michelle, Rick are slated to do some stakeholder outreach today. Check the chart below.** I believe this outreach is expected to occur this afternoon/evening, so if you see your name below and have any questions/concerns or are unable to do the outreach, please let me know ASAP.
- **We still need the final OK on the editorial board--Dennis would like to talk to Frank tomorrow for a half hour before his speech.** Bo, can you please let me know ASAP if that's a go so I can schedule it?
- **I've updated all text in the comms plan to reflect the latest public engagement plans.** Please take a look to make sure the language in the desk statement and listserv accurately reflect EPA's plans.
- **I need make sure what I have is the final draft of Dennis' speech (what I have is from 2/2 at 12pm).** We intend to advance and embargo the excerpt in this plan to the AP along with the desk statement tomorrow morning.
- **We need some As to the Qs and As that are highlighted about public process.** Dennis suggested these Qs and As would be useful in meeting with stakeholders.
-
- Bo, I tried to incorporate your changes to the listserv and desk statement. I think it's important to give a little more context in the listserv than what you suggested because we have not reached out to the listserv in a long while.

Please review the attached plan and let me know if you have any thoughts.

Hanady
